

# Shade Tree Mechanic

## Joe Louis Walker

I want you to put me under your shade tree  
Please get me out of the sun  
I want you to put me under your shade tree  
Please get me out of the sun  
Cause I'm your shade tree mechanic  
And heaven knows that I'm the one I can oil and lube you  
And not lose a single drop, no no  
I can cool you down  
When you start to runnin' hot  
I'm your shade tree mechanic  
I never leave my shady spot  
I can check your battery baby  
With my special pressure gage  
My work is guaranteed  
Guaranteed for thirty days  
I want you to put me under your shade tree  
Please get me out of the sun  
Cause I'm your shade tree mechanic  
And heaven knows I'm the one(guitar solo)I want you to put me under your shade tree  
Please get me out of the sun  
I want you to put me under your shade tree  
Please get me out of the sun  
Cause I'm your shade tree mechanic  
And heaven knows I'm the one  
You say your drive shaft may misfire  
Your piston rod is running flat  
Don't you worry about a thing  
I got the tools for that  
I want you to put me under your shade tree  
Please get me out of the sun  
My work is guaranteed  
I've got just what you need  
You can call me day or night  
I'll always treat u right  
I am the one
