Love Rollercoaster

WILDBERRIES

Tell her with me it like a ride, uh, uh, a ride
But when the ride is movin' keep yah hands inside
At first I take yah low then I can take you high
Take you twice around the world, baby, I make you fly
Make you fly, keep you laced Christian Louboutin
This rollercoaster ride she want to do it again
But she can't 'cause she know I'm in love with the doe
Plus the ride that she's on is too emotional
I'm too stuck in my ways for us to play how we play
At first you beggin' to leave then you beggin' to stay
Same shit different day, I'm like please s'il vous plait
You can leave if you may but then I hear you say
I'm so tired of playin' love rollercoaster with you
'Cause my heart can't take this drama you be puttin' me through
It goes up and down, round and round
Round and round, over and over again
I'm so tired of playin' love rollercoaster with you
'Cause my heart can't take this drama you be puttin' me through
It goes up and down, round and round
Round and round, over and over again
I never said it would be easy peep the nigga you dealin' with
I be on my million shit, she be on that ill and shit
Whether club or studio, she want to know who I'm chillin' with
Ridin' on that rollercoaster none of us is feelin' it
The notion got me feelin' sick, I don't wanna lose this
Money or relationship, please don't let me choose this
She's on a constant mood switch but I say theirs no right or wrong
She swears that she's right I'm wrong, she's always tryna prove shit
I be on that cool shit, she be on that bullshit
She says that I love her but don't love her like my music
Why do you think I do this to keep you in that new shit
Keep your hands inside of the ride when it's movin'
I'm so tired of playin' love rollercoaster with you
'Cause my heart can't take this drama you be puttin' me through
It goes up and down, round and round
Round and round, over and over again
I'm so tired of playin' love rollercoaster with you
'Cause my heart can't take this drama you be puttin' me through
It goes up and down, round and round

Round and round, over and over again
This feelin' that I'm goin' through
You got me caught up and I'm so confused
And everything I thought that we had was true
But now I'm seein' a whole different side of you
You got me goin' up and down and round and round
I'm goin' up and down and round, round
Goin' up and down and round and round
And round and round we go
I'm so tired of playin' love rollercoaster with you
'Cause my heart can't take this drama you be puttin' me through
It goes up and down, round and round
Round and round, over and over again
I'm so tired of playin' love rollercoaster with you
'Cause my heart can't take this drama you be puttin' me through
It goes up and down, round and round
Round and round, over and over again
Over and over again
Over and over again
Over and over again
