

Going Digital

Jasan Radford

One, two, hey!
I'm headin' off on a digital trip and that's what I plan to do
I'm goin' away to a digital plane and I ain't comin' back real soon
The whole thing is electrical
It's running through my veins
And everything's connectable
Hey! Digital
Hey! Digital
Whoa
One, two, three!
Hey! I'm going digital
Completely digital
Now I'm invincible
Let's all get digital
I stand around at the digital land and no matter what I see
Everything is comin' at me in a digital reality
The whole thing's technological
It's taking me inside
A World Wide Web collectable
Hey! Digital
Hey! Digital
Whoa
Ah! It's a digital
I'm going digital
It's my digital
It's my digital world
World
World
World
The whole thing's interchangeable
A-wired up to my mind
Where anything is capable
Hey! Digital
Hey! Digital
Whoa
Ah! I'm going digital
Completely digital
Now I'm invincible
Let's all get digital
