James Blake

Gather 'round the beat like a campfire
Singin' folk songs, but not no Kumbaya my LordGather 'round the beat like a campfire
Singin' folk songs, but not no Kumbaya my LordPlay like Timmies, all we had, nothing else on 46
Got you caught up in the mix
Just 'cause I know the late nightPlay like Timmies, all we had, nothing else on 46
Got you caught up in the mix
Just 'cause I know the late night
