

Go On

Lari White

(Lari White/Tom Shapiro/Chris Waters) You talk to me with one eye on the door
You lie beside me with one foot on the floor
You're always going
You're never gone
So long shouldn't take so long Go on go on go on go on go
Why don't you go on go on go on go on go I know it's just a matter of time
So if it's over baby let's just call it a night
I can take it
If you leave
But this waitin' 'round is killing me Go on go on go on go on go
Why don't you go on go on go on go on go I've just been spinning my wheels
Trying not to drive you away
Your heart is already gone
So what's the use in making you stay Go on go on go on go on go
Why don't you go on go on go on go on go
Go on go on go on go on go
Why don't you go on go on go on go on go
