

The First Noel

[Vanessa Williams](#)

The first noel, the angels did say
Was to certain poor shepherds,
In fields as they layIn fields where they
Lay keeping their sheep
On a cold winter's night, that was so deepChorus:
Noel, noel
Noel, noel
Born is the king of israelWhen they looked up, and saw a star
Shining in the east, beyond them far
And to the earth, it gave great light
And so it continued both day, and nightChorus (2x)(noel, noel)Chorus (4x)
