

# Out of Sight

## Kelsey, Chance The Rapper & Nael Shehade

On my own two feet  
I'm back in control  
In the driver's seat with what I say goes  
And I can't slow down  
I won't hold back  
(yeah x4) This night is magical, beautiful, electrifying  
And I am letting go  
Getting closer to flying  
This room is fading fast  
Make it last, Hold it closer  
Once I cross that finish line, baby  
I'll be out of sight  
(yeah x4)  
Out of sight  
(yeah x4) Got no reason why  
My heart says go  
Got no time to cry  
I should let you know  
I won't slow down  
I can't hold back  
(yeah x4)  
Chance, The Rapper  
It's like oh my  
My heart bleeding for ya  
It's like oh my  
But it's hardly over  
I'm spittin' over-seas  
Plane taking off, I leave  
Got me picking off leaves of my four-leaf clover like  
She love me not  
She love me lot  
So  
All of these hoes  
Babe, I just crush a lot, like  
Hella' flights  
Hella' nights  
Out of spite

Gotta' learn to trust your boy even though I'm out of sight
