

Nice Lunch

Beekeeper

angela, you know they dropped the bomb

(open up, remember me?)

wipe the rain off your nose and you say

the last words that youll say to me

you tip your cards, tip your cards

i can see whats in your hand

its been so long since you atestop, listen to what i say now

oh, youve turned the predator to prey now

run, and try to get away now,

let the outside in

(im so hungry, empty tummy, im so hungry, baby you look so yummy)you never will eat a part of me
