Pop Music Is Not a Crime

Freezepop

another song about dancing
what is it that you want from me
if I wrote a song about more serious things
would you take me seriously
it?s just that I really like to dance
do you feel the same way that I do
would you dance to a song about dancing
if so, I?d like to dance with you

pop music, pop music is not a crime
pop music, pop music, we write it all the time
pop music, pop music is not a crime
pop music, pop music, dancing to my stupid rhymes

another song about dancing
I know you?ve heard it all before
if I wrote a song about more serious things
would you want to hear some more
it?s just that I really like to dance
I guess that sounds pretty trite
would you dance to a song about dancing
guilty pleasures feel so right

pop music, pop music is not a crime
pop music, pop music, we write it all the time
pop music, pop music is not a crime
pop music, pop music, dancing to my stupid rhymes

(instrumental break)

pop music, pop music is not a crime
pop music, pop music, dancing to my stupid rhymes

listen to me
give me a minute of your time
listen to me
and sing along with what you know
listen to me
pop music is not a crime
listen to me

now I'm on the radio

listen to me
the drumbeat makes us starry-eyed
listen to me
and dance along at our next show
listen to me
pop music is not a crime
listen to me
now I'm on the radio

now I'm on the radio (2x)
come dance with me
we?ve got a beat you can?t deny
come dance with me
and you just can?t tell me no
come dance with me
pop music is not a crime
come dance with me
now I'm on the radio

listen to me
come dance with me
now I'm on the radio
