

Love Spent

Madonna

You had all of me
You wanted more
Would you have married me
If I were poor?
I guess if I was your treasury
You'd have found the time to treasure me
How come you can't see
All that you need
Was right here with me
Up until the end
All this pretend wasn't for free
Hold me like your money
Tell me that you want me
Spend your love on me
Spend your love on me
Now you have your money
Spend it til there's nothing
Spend your love on me
Spend your love on me
If we opened up a joint account
Would it put an end to all your doubt?
Frankly, if my name was Benjamin
We wouldn't be in the mess we're in
You played with my heart
Til death do we part
That's what you said
Now you have your fast car,
Women and bars, its gone to your head
Hold me like your money
Tell me that you want me
Spend your love on me
Spend your love on me
Love me like your money
Spend it til there's nothing
Spend your love on me
Spend your love on me
Spend your love on me
I want you to take me

Like you took your money

Take me in your arms

Until your last breath

I want you to hold me

Like you hold your money

Hold on to me

Til there's nothing left

Love spent, really love spent

Yeah I'm love spent

Wondering where the love went

Love spent, yeah I'm love spent

Really love spent

Wondering where it all went

I want you to take me

Like you took your money

Take me in your arms

Until your last breath

I want you to hold me

Like you hold your money

Hold me in your arms

Until there's nothing left

Nothing left

Nothing left

Nothing left

Love spent

Really love spent

Yeah, I'm love spent

Wondering where the love went

Love spent

Yeah I'm love spent

Really love spent

Wondering where it all went

I want you to take me like you took your money

Take me in your arms until your last breath

I want you to hold me like you hold your money

Hold me in your arms until there's nothing left

Nothing left

Nothing left

Nothing left

Nothing left
