

Everybody Wants to Go to Heaven

Albert King

Everybody wants to laugh but nobody wants to cry

I say, everybody wants to laugh but nobody wants to cry

Everybody wants to go to heaven but nobody wants to dieEverybody wanna hear the truth but yet, everybody
wants to tell a lie

I say, everybody wants to hear the truth but still they all wanna tell a lie

Oh, everybody wants to go to heaven but nobody wants to dieEverybody wanna know the reason without even
askin' why

Oh, everybody wanna know the reason, oh without even askin' why

You know everybody wanna go to heaven but nobody wants to die
