

# Trap Ball (feat. Lil B)

Tony Yayo

Smoke weed, roll swishers  
Tour bus, full of pretty bitches  
Naked bitches, maskurating  
3 girls kissing, masterbating  
If you he-man, I'm skeletor  
Star trakching, bout to teleport  
Like spocks ears, sip na beers  
Caviar the pilot about to park the leer  
I got that 6.38 nigga hanging by my nutsack  
Catch you at the restaurant, wear your steak like a hat  
Delay the blow back, on the pearce 90  
It's blue and green boy, right up in the mazi  
Ball, swag, ball, swag, ball, swag, ball,  
Trap, trap, trap, swag, trap, swag, trap  
Ball, swag, ball, swag, ball, swag  
Nigga trap, trap, swag, trap, swag, swag  
Fuck the drama, fuck your baby momma  
On her period, bloody up the condom  
From where the beam steel aluminum satin and your on it  
Bitch pussy so loose I could fit my arm in  
Chop the pill in half, save the other half  
It ain't kicked in so I pop the other half  
Drunk a 40 took it with no fucking substance  
Smoke blunt after blunt till no buzz left  
Shitting on these niggaz, no prune juice  
88 cu-di, moon roof  
Stay strapped up, moon boots  
In any hood I don't here who are you  
Ice, wrist, 10, g's  
Damn, nigga, you doin, your thang  
Young, nigga, old, bitch  
New, car, new, bitch  
50, thousand, for, show  
Danks, sky, out the, door  
New, watch, new, house  
Hood, nigga, iced, out  
Tiny, shirts, tiny, jeans  
Westside, nigga, rich  
Bentley, coupe, 200, stacks

Buy a, bitch, 5, stacks
