Poverty For All

October revolution
Out to the streets
To fight against the tyranny
In 56' we fought the occupation
The young and old
Against the Communist regimeThe sorrow, a so-called liberation
The sorrow, a violent domination
Sorrow, the humiliation
Fifty years, the death of a nationPoverty for all
But freedom's the exception
The Proletariat, now the
Red Bourgeoisie
The murder, the torture
The terror, the famine
Fifty years under the
Communist regimesThe sorrow, a so-called liberation
The sorrow, a violent domination
Sorrow, the humiliation
Fifty years, the death of a nationThe price of freedom,
is worth it to me
Fighting
A revolution
Fighting
For human rights
The Cheka, the Stasi
The human tragedies
The casualties of the state
Fifty years,
a tragic philosophy
Fifty years,
collective suffering
Fifty years,
we're the casualties
of the stateThe sorrow, a so-called liberation
The sorrow, a violent domination
Sorrow, the humiliation
Fifty years, the death of a nation
