

# Poverty For All

## Ignite

Sold by your own  
October revolution  
Out to the streets  
To fight against the tyranny  
In 56' we fought the occupation  
The young and old  
Against the Communist regimeThe sorrow, a so-called liberation  
The sorrow, a violent domination  
Sorrow, the humiliation  
Fifty years, the death of a nationPoverty for all  
But freedom's the exception  
The Proletariat, now the  
Red Bourgeoisie  
The murder, the torture  
The terror, the famine  
Fifty years under the  
Communist regimesThe sorrow, a so-called liberation  
The sorrow, a violent domination  
Sorrow, the humiliation  
Fifty years, the death of a nationThe price of freedom,  
is worth it to me  
Fighting  
A revolution  
Fighting  
For human rights  
The Cheka, the Stasi  
The human tragedies  
The casualties of the state  
Fifty years,  
a tragic philosophy  
Fifty years,  
collective suffering  
Fifty years,  
we're the casualties  
of the stateThe sorrow, a so-called liberation  
The sorrow, a violent domination  
Sorrow, the humiliation  
Fifty years, the death of a nation
