

Silver Bullets

[Ryan Adams](#)

Go and get the gun
'Cause it's only getting worse
Go and fill it up
With silver bullets 'Cause I can't see the sun
But I know it's gone away
And I can't make you love me
And you can't make me stay Are their wolves at the door?
That you're not supposed to let it
You can't make me feel
What I'm not feeling And I can't see the sun
But I know it's gone away
And I can't make you love me
You can't make me stay
