

Heavy Metal

Sammy Hagar

Head bangers in leather
Sparks flyin' in the dead of the night
It all comes together
When they shoot out the lights 50,000 watts of power
And it's pushin' overload
The beast is ready to devour
All the metal they can hold Reachin' overload
Start to explode It's your one way ticket to midnight
Call it heavy metal
Higher than high, feelin' just right
Call it heavy metal
Desperation on a red line
Call it heavy metal noise Tight pants and lipstick
She's riding on a razor's edge
She holds her own against the boys
Yeah, cuts through the crowd just like a wedge Ooh, can you feel the static?
So many contacts bein' made
We've got up front fanatics
Tearin' down the barricade To reach the stage
Can you feel the rage? It's your one way ticket to midnight
Call it heavy metal
Higher than high, feelin' just right
Call it heavy metal
Desperation on a red line
Call it heavy metal noise It's your one way ticket to midnight
Call it heavy metal
Higher than high, feelin' just right
Call it heavy metal
Desperation on a red line
Call it heavy metal Higher than high, feelin' just right
Call it heavy metal noise
Heavy metal noise
Heavy metal noise
Heavy metal noise
Call it heavy metal
