Heavy Metal

Sammy Hagar

Head bangers in leather

Sparks flyin' in the dead of the night

It all comes together

When they shoot out the lights50,000 watts of power

And it's pushin' overload

The beast is ready to devour

All the metal they can holdReachin' overload

Start to explodeIt's your one way ticket to midnight

Call it heavy metal

Higher than high, feelin' just right

Call it heavy metal

Desperation on a red line

Call it heavy metal noiseTight pants and lipstick

She's riding on a razor's edge

She holds her own against the boys

Yeah, cuts through the crowd just like a wedgeOoh, can you feel the static?

So many contacts bein' made

We've got up front fanatics

Tearin' down the barricadeTo reach the stage

Can you feel the rage? It's your one way ticket to midnight

Call it heavy metal

Higher than high, feelin' just right

Call it heavy metal

Desperation on a red line

Call it heavy metal noiseIt's your one way ticket to midnight

Call it heavy metal

Higher than high, feelin' just right

Call it heavy metal

Desperation on a red line

Call it heavy metalHigher than high, feelin' just right

Call it heavy metal noise

Heavy metal noise

Heavy metal noise

Heavy metal noise

Call it heavy metal
