

She's an Angel

Love/Hate

She's tryin' to have a good time
Even though these are the bad times
She's tryin' to get in--she wants out
Doin' some time for small crimes to herself
Sitting by a window--breathin' on the glass
Time will tell, time will pass
'Cause when you're young sometimes little things seem larger than life
She is a wild wind blowin'--she's my
thunder and rain
She is a hurricane
They think she's insane
But she's an angel
Yeah yeah yeah yeah yeah
Yeah yeah yeah
They'll lock you away
They'll lock you away
Mommy takes the strings off your bass
So you won't hang yourself
Could things be so bad
When you're lovin' life with everything you have
Yeah yeah yeah yeah yeah
Yeah yeah yeah
She is a sunbeam shinin'--think it's gonna rain
Sure she's feelin' pain
They think she's insane
But she's an angel
Yeah yeah yeah yeah yeah
Yeah yeah yeah
They'll lock you away
Yeah yeah yeah yeah yeah
yeah yeah yeah
They'll lock you away
She's on drugs yeah she's on fire
They all say that she's a liar
Sure she's lookin' for trouble
And now she's seein' double
She is a sunbeam shinin'--think it's gonna rain
Sure she's feelin' pain
They think she's insane
But she's an angel
Yeah yeah yeah yeah yeah
Yeah yeah yeah yeah yeah
Yeah yeah yeah yeah yeah
They'll lock you away
They'll lock you away

They'll lock you away
They'll lock you away She's tryin' to have a good time
Even though these are the bad times
