

# Stood

**Kathryn Williams**

All I ask for is the sign for my fleeting  
Lift me to your light, felt the warmth back in my eyes  
I used to follow you 'round in a casual way  
Miss good shows on the radio just to see your faceAnd you  
Just stood  
You kept me there  
Bare to what you wereAnd you  
Just would  
Be happy to be loved by me  
But not for good  
Not for goodI never thought that I'd get to talk to you  
You are always about, 'never in doubt of what you've got to do'  
I knew I'd be nervous now, what was I then?  
Years had passed my frustration was masked  
I knew I would not be againAnd you  
Just stood  
You kept me there  
Bare to what you wereAnd you  
Just would  
Be happy to be loved by me  
But not for good  
Not for good
