

A Little While Later (Album Version)

[Fanny](#)

A Little While Later We Drifted Off To Sleep
Still Puzzled By Our Conversation
We'd Been A Long Time Talking
I Was Getting In Too Deep
Or Maybe Just Too Far Above My Station.You Tried To tell Me A Fairy Tale Or Two
In Twisted Words Beyond My Reason
Now Your Coach Is Waiting
There's Nothing I Can Do
And I Think It's Time That You Were Leaving.It's Not That You Gave Me The Only Thing I Need
Nor Yet The Only Love I've Tasted
But I'd Mistaken The Plans You Made For Me
And It's A Shame To See Them Wasted.Oh - And I Ain't Got A Hand To Guide Me
Oh - And I Ain't Got A Friend Beside Me
Oh - And I Do Need A Place To Hide Me
From All Of The Troubles That Bother My Head.For Some Time Lately I've Been Noticing A Chage
In The Way You Feel About Me
It Doesn't Bother Me Greatly It Isn't Very Strange
I Knew You'd Learn To Live Without Me.You Say You Want Me To Give Some Time To You
To Set Your Thoughts A Little Straighter
I Do Believe You Believe Me Yes I Do
Still I Would Like To See You Laterchorusrepeat first verse
