

Hollywood Nights

David Cassidy

Words and music by bob seger

She stood there bright as the sun on that california coast

 He was a midwestern boy on his own

 She looked at him with those soft eyes,

 So innocent and blue

He knew right then he was too far from home he was too far from home

 She took his hand and she led him along that golden beach

 They watched the waves tumble over the sand

 They drove for miles and miles

 Up those twisting turning roads

 Higher and higher and higher they climbed

 And those hollywood nights

 In those hollywood hills

 She was looking so right

 In her diamonds and frills

 All those big city nights

 In those high rolling hills

 Above all the lights

 She had all of the skills

He'd headed west 'cause he felt that a change

 Would do him good

 See some old friends, good for the soul

She had been born with a face that would her

 Get her way

He saw that face and he lost all control

 He had lost all control

Night after night, day after day, it went on and on

 Then came that morning he woke up alone

He spent all night staring down at the lights of la

 Wondering if he could ever go home

 And those hollywood nights

 In those hollywood hills

 It was looking so right

 It was giving him chills

 In those big city nights

 In those high rolling hills

 Above all the lights

 With a passion that kills

In those hollywood nights
In those hollywood hills
She was looking so right
In her diamonds and frills
All those big city nights
In those high rolling hills
Above all the lights
She had all of the skills
