

# What Goes Around.../...Comes Around (Interlude)

## Justin Timberlake

Hey girl, is he everything you wanted in a man?  
You know I gave you the world  
You had me in the palm of your hand  
So why your love went away  
I just can't seem to understand  
Thought it was me and you babe  
Me and you until the end  
But I guess I was wrong Don't want to think about it  
Don't want to talk about it  
I'm just so sick about it  
Can't believe it's ending this way  
Just so confused about it  
Feeling the blues about it  
I just can't do without ya  
Tell me is this fair? Is this the way it's really going down?  
Is this how we say goodbye?  
Should've known better when you came around  
That you were gonna make me cry  
It's breaking my heart to watch you run around  
'Cause I know that you're living a lie  
That's okay baby 'cause in time you will find What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around Now girl, I remember everything that you claimed  
You said that you were moving on now  
And maybe I should do the same  
Funny thing about that is  
I was ready to give you my name  
Thought it was me and you, babe  
And now, it's all just a shame  
And I guess I was wrong Don't want to think about it  
Don't want to talk about it  
I'm just so sick about it  
Can't believe it's ending this way  
Just so confused about it

Feeling the blues about it  
I just can't do without ya  
Can you tell me is this fair? Is this the way it's really going down?  
Is this how we say goodbye?  
Should've known better when you came around  
(Should've known better that you were gonna make me cry)  
That you were going to make me cry  
Now it's breaking my heart to watch you run around  
'Cause I know that you're living a lie  
That's okay baby 'cause in time you will find What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around What goes around comes around  
Yeah  
What goes around comes around  
You should know that  
What goes around comes around  
Yeah  
What goes around comes around  
You should know that Don't want to think about it  
(No)  
Don't want to talk about it  
I'm just so sick about it  
Can't believe it's ending this way  
Just so confused about it  
Feeling the blues about it  
(Yeah)  
I just can't do without ya  
Tell me is this fair? Is this the way it's really going down?  
Is this how we say goodbye?  
Should've known better when you came around  
(Should've known better that you were gonna make me cry)  
That you were going to make me cry  
Now it's breaking my heart to watch you run around  
'Cause I know that you're living a lie  
But that's okay baby 'cause in time you will find What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around

What goes around, goes around, goes around  
Comes all the way back around
