

Hearts Alive

Mastodon

Taken down with hearts alive
Our hearts aliveLurking dark underground
Descend to the bottom
Swim below eternally
Into the Deep Blue SeaTime and space, all alone
It can be a lonely place
There it goes, opening up
I can't stand, I can't breatheRolled fin out
Oil stripped
Hold is filledOcean coil, water boils
He swims to the surface
Flame from mouth, smoke he breathes
Enter the caverns of the deepTime and space, all alone
It can be a lonely place
There it goes, opening up
I can't stand, I can't breatheTerrified, ghastly cry
Spiraled lives
Taken down
Taken downThe iron side
Bucket of lead
Battle is she
Not for defeatThe iron side
Bucket of lead
Battle is she
