

Pink And Black

Robert Plant

Oh, hold me
Oh yeah, hold me I know I used to run around
Now I'm swear I've settle down
Maybe what they say is true
Oh baby, all those things I've done to you People say that I won't change
The song still remains the same
Oh, but I got what you're needing so
Oh, come on now, hold me tight don't let go Oh no, don't start sayin' goodbye to me
Don't start sayin'
Oh no, don't start sayin' goodbye to me I only you sing a tune
Love me truly, love me do
I only hurt when I'm around
Oh, that's just I'm feeling down Oh, I don't think that lie is true
But I'll just leave that up to you
Oh, but I know what you're needing so
Oh, come on, hold me tight don't let go Oh no, better stop sayin' goodbye, breaking my heart
Don't start sayin'
Oh no, don't start sayin' goodbye, breaking my heart Oh, hold me When I tell you that I love you, when I tell you
that I care
When I tell you that I love you, when I tell you 'bout it anywhere
When I tell you that, when I tell you that
When I tell you that, when I tell you that
When I tell you that, when I tell you that
Oh, when I tell you that, you know, you really wanna know Will you try remember me?
What I've got is what you need
Oh, but I got what you're needing so
Come on baby, hold me tight and don't let go Oh no, stop sayin' goodbye to my heart
Stop sayin' goodbye to me
Oh no, don't start sayin' goodbye, breaking my heart Oh no, don't start sayin' goodbye to me
Don't start sayin'
Oh no, don't start sayin'
