

Eat Raw Meat = Blood Drool (Magnus 'Veggie' Mix)

Editors

Anything we should know about your change? -- I don't wanna be ignored, oh God!

When I'm gone, I've lost this fight.

You're chewing with an open mouth, raw meat,

Your blood drool attracts the flies. I give a little to you, I give a little to him, I give a little to her,
I give a little to you, I give a little to him, I give a little to her! I don't wanna be left out, or get fucked.

But there's a talent in your lies.

If you're chewing with an open mouth, raw meat,

Your blood drool attracts the flies. I give a little to you, I give a little to him, I give a little to her,

I give a little to you, I give a little to him, I give a little to her!

A little bit for myself, cos it's best for my health, I give a little to her,

I give a little to you, I give a little to him, I give a little to her! Don't wait for the sun. Your, your story's been
spun,

These lies, they just wanna have fun.

Your, your damage is now. Ohhhhhhhhhhhhhhhhhhhhhhhhhhhhhhh (x4) I give a little to you, I give a little to him, I
give a little to her,

I give a little to you, I give a little to him, I give a little to her!

I give a bit to myself, I give a little to him, I give a little to her,

I give a little to you, I give a little to him, I give a little to her! I give a little to her! (x4)
