Black/White

Mr. Mister

We are two shadows moving on a wall
Two characters, both weak and strong
We chant and we dance, we draw ourselves in
Then we run from each other againLove is so strange, how we change from day to night
And love is so strange, how we change from black to white
Ever so strange, how we change from day to night, hey, yeahI draw a picture of your face
Another time, another place
We are the ones who fell into this love
We must be in the right placeLove is so strange, how we change from day to night
Love is so strange, how we change from black to white
Ever so strange, how we change from day to night, hey, yeah
That's right that's right that'sLove is so strange, how we change from day to night
Love is so strange, how we change from black to white
Ever so strange, how we change from day to night
That's right that's rightSaid, love is so strange, love is so strange, love is so strange
Love is so strange, love, how we change, yeah, yeah
Love is so strange, how we change, we change
We change, we change
How much we change, much we change, yeahLove is so strange, how we change from day to night
Love is so strange, how we change from black to white
Ever so strange, how we change from day to night
That's right that's right, yeah
Love is so strange, how we change from black to white
