

Excalibur (Live in Wacken 2010)

Grave Digger

Unknown heir, orphaned page
A King to be come his age
For God's sake Sorcerer, sword in stone
Release will bring the throne
For the chosen one The Almighty will point out
The only royal blood in the crowd Excalibur
Sword of the kings
Take me on your wings
Back where I belong
Excalibur Unworthy bound to fail
Noble heart bound to gain
Challenge your faith Sorcerer, sword in stone
Release it, ascend the throne
Take the crown The Almighty now throws the dice
Wrath of the man without a vice Excalibur
Sword of the kings
Take me on your wings
Back where I belong
Excalibur Precious sword, wraps up them
He deserves to rule the land
Lead Britannia Excalibur lights up the sky
Hard times have been passing by Excalibur
Sword of the kings
Take me on your wings
Back where I belong
Excalibur Excalibur
Sword of the kings
Take me on your wings
Back where I belong
Excalibur
