DenizensLove what you do, hate what you screw
Someone tell something true
All these people who come to my
Mind
Stop these children I told you I can't let em outHead to the ground, take what you found, kill yourself halfway down
Cuz they lining up one after one,
Stop these demons, I told you I can't let em out(while I go)
Take these thoughts, as they come
(while I go)
Drugs and cuts for your bones
(while I go)
Take these thoughts, as they comeSomeone to blame, hope for your shame, bless those who curse your name
And these people won't come to my aid
Stop you crying I told you I won't let you offFast with a gun, tell me to run, I can see what you done
All these people who come to my mind
Stop these children, I told you I can't let em out(while I go)
Take these thoughts, as they come
(while I go)
Drugs and cuts for your bones
(while I go)
Take these thoughts as they come
(while I go)
I can sell you all, I can sell all your soulsTake these thoughts, as they come
(while I go)
Drugs and cuts for your bones
(while I go)
Take these thoughts as they come
(while I go)
I can sell you all, I can sell all your souls
