

I'm Fine

Drew Copeland

After all this time
Girl you know by now I can read your mind
Why would you keep something from me?
Your best kept secrets are the ones I want to know
I really want to know Don't tell me that you're fine
When you know what you mean to me
Don't tell me that you're fine
When I'm not there and its plain to see
Well I know that means you love me
And you're missing me tonight
So it hurts to hear you whisper... I'm fine Girl I know that sigh
Your gentle breath that hides a simple lie
If I could only see your eyes
Holding back the tears you gonna cry
So baby please don't cry Don't tell me that you're fine
When you know what you mean to me
Don't tell me that you're fine
When I'm not there and its plain to see
Well I know that means you love me
And you're missing me tonight
So it hurts to hear you whisper... I'm fine Don't lie to me
Don't lie to me
Don't tell me that you're fine When you know what you mean to me
Don't tell me that you're fine
When I'm not there and its plain to see
Well I know that means you love me
And you're missing me tonight
So it hurts to hear you whisper
... I'm fine
Whoa~ I'm fine
