

# Ayo Technology (Extended Mix)

## Skyla

Ayo

I'm tired of using technology  
She work it girl, she work the pole  
She break it down, she take it low  
She fine as hell, she about the dough  
She doing her thing out on the floor  
Her money-money she makin'  
Look at the way she shakin'  
Make you want to touch it, make you want to taste it  
Have you lustin' for her go crazy face it  
She's so much more than you're used to  
She know's just how to move to seduce you  
She gone do the right thing and touch the right spot  
Dance in you're lap till you're ready to pop  
She always ready when you want it she want it  
Like a nympho the info  
I show you where to meet her  
On the late night till daylight the club jumpin'  
If you want a good time she gone give you what you want  
Baby this a new age  
You like my new craze  
Let's get together  
Maybe we can start a new phase  
The smokes got the club all hazy  
Spotlights don't do you justice baby  
Why don't you come over here  
You got me saying Ayo  
I'm tired of using technology  
Why don't you sit down on top of me  
Ayo  
I'm tired of using technology  
I need you right in front of me  
In her fantasy there's plain to see  
Just how it be on me  
Backstrokin', sweat soaking  
All into my set sheets  
When she ready to ride I'm ready to roll  
I'll be in this bitch 'til the club close  
What should I do one thing on all fours  
Now that that shit should be against the law  
Different style, different move  
Damn I like the way you move  
Girl you got me thinking about  
All the things I do to you  
Let's get it poppin' shorty

We can switch positions  
From the couch to the counters in my kitchenBaby it's a new age  
You like my new craze  
Let's get together  
Maybe we can start a new phase  
The smokes got the club all hazy  
Spotlights don't do you justice baby  
Why don't you come over here  
You got me sayingAyo  
I'm tired of using technology  
Why don't you sit down on top of me  
Ayo  
I'm tired of using technology  
I need you right in front of meShe wants it  
she wants it  
I got to give it to her  
I got to give it to herAyo  
I'm tired of using technology  
Ayo  
I'm tired of using technology  
I need you right in front of meAyo  
I'm tired of using technology  
I need you right in front of me
