One Last Time

Miriam Bryant

You came to me
Springtime was a beauty when you came to me
And if only I had known the things
I know today
When you were still mineRemember time
Hanging on the balcony and gettin high
Tangeled up with you all night I fell in love
And you were all mineI wonder if you look the same, in morning light through window panes
and if hometown city life would fill me up
And three doors down we'd stay in bed
I love the secret that we kept.
I tried to play on your guitar
"Confide 'cause i'll be on your side"
On your guitar, come dance with me.
Those summer nights
We drove around on Hisingen and back again
The lovebirds fly in circles never ending love,
come drown in my seaWhen autumn came
you said to me you know that we could start again
But silently I missed your dail in summerrain,
Felt empty insteadDet hÃ¤nder att jag gÃ¥r fÃ¶rbi huset som du bodde i,
det hÃ¤nder att jag ser dig dÃ¥ och dÃ¥
Thought we had it figured out
just closed your eyes and left it all
Take everything you need from me,
I'll show you what you need to see
Oh, one last time
close your eyes and laugh with me just one more time
You know that I'll pretend to be yours this time,
if that last morning would come
