

# Kiss Me Like You Mean It

## Room 94

Let me tell you a story,  
About a boy and a girl,  
We were drunk, we were horny,  
On top of the world.  
But you fucked it up,  
I'd watch you leave.  
You were thinking love,  
I was too blind to see. Breaking the rules and breaking my heart,  
Our happy ever after, now it's fallen apart.  
Even though you did this to me,  
Still dumb enough to let you take me home. Kiss me like you mean in it  
Kiss me like I'm all you ever needed  
Cos you play me like your favorite song,  
Over and over and you never stop (shut up)  
Kiss me, like you mean it, you mean it, yeah Verse 2  
Now every morning, oh, I wake up alone  
No one to keep me warm and I feel so cold  
If I could turn back time, to yesterday,  
We could make it last but now it's too late. Breaking the rules and breaking my heart,  
Our happy ever after, now it's fallen apart.  
Even though you did this to me,  
Still dumb enough to let you take me home. Kiss me like you mean in it  
Kiss me like I'm all you ever needed.  
Cos you play me like your favorite song,  
Over and over and you never stop (shut up)  
Kiss me, like you mean it, you mean it, yeah. Oh, you got what you wanted and oh,  
I'm gonna finish what you started.  
Oh, forget the history,  
because there's no more you  
and there's no more me.  
Kiss me like you mean it,  
Kiss me like I'm all you ever needed. Kiss me like you mean it  
Kiss me like I'm all you ever needed  
Cos you play me like your favorite song,  
Over and over and you never stop (shut up)  
Kiss me, like you mean it, you mean it, yeah Cos you play me like your favorite song,  
Over and over and you never stop (shut up)  
Kiss me, like you mean it, you mean it, yeah.
