Oh, What a Beautiful Morning

Brave Combo

There's a bright golden haze in the meadow
There's a bright golden haze in the meadow
The corn is as high as an elephant's eye
And it looks like it's climbing clear up to the skyWell, I say, oh, what a beautiful mornin', yeah
Yes, what a wonderful day
I've got a beautiful feelin', feelin'
Everything's, everything's goin' my wayWhoa, the cattle are standing like statues
The cattle are standing like statues
They don't turn their heads as they see me ride by
But a little brown maverick is winkin' her eye, she saidOh, what a beautiful morning, yeah
Well, what a wonderful day
I want ya'll to know, oh now, I've got a beautiful feelin'
I've got everything, everything's goin' my way
Everything's goin' my way, my wayWhoa, the sounds of the earth are like music
The sounds of the earth are like music
The breeze is as busy, it don't miss a tree
And a little ol' weepin' willow is laughin' at me, she saidOh, what a beautiful morning
Yes, what a wonderful day
Y'all, I got a beautiful feelin'
I got everything, I got everything
I got everything, everything's goin' my way
I'm sorry but I got everything's goin' my way, my wayOh, baby, oh, baby
I wanna thank you little girl for such a wonderful day
I got a beautiful feelin'
Everything's goin' my way
