# In Ohm

## Jes

This is here, this is now
This is all we can fathom
All that makes you feel it right
So grab a hold, get on top
'Cause this is all you can have it
If you just listen to the soul you become

I'm crying out
To every corner of the earth
Why can't we live as one
In Ohm, in Ohm

This is it, this is now
This is all we can do it
All to make us feel some peace
So grab a hold, get on top
'Cause this is all we can handle
What ever keeps you alive

'Cause I'm crying out
To every corner or the earth
Why can't we live as one?
In Ohm, in Ohm, alive

Whatever keeps you alive

In Ohm, to every corner of the earth in Ohm
Why can't we live as one
In Ohm, in Ohm 'cause I'm crying out
