Rule the World

Dee Snider

With our hands up high we'll rule the world
Up in the sky we'll rule the world
Whoa! Whoa!Breath
It's no surprise to win, you've got to believe
See it in your eyes, that it's the time for
Open arms
Love and peace
Fighting for
You and me
Raise your arms up, raise your voice
Scream it out!With our hands up high we'll rule the world
Up in the sky we'll rule the world
True hearts on fire, a will to burn
With our hands up high we'll rule the world
Whoa! Whoa!
Reach
'Cause you can't describe the feeling with'n you
There's something in this world for everyone
Open arms
Love and peace
Fighting for
You and me
Raise your arms up, raise your voice
Scream it out!With our hands up high we'll rule the world
Up in the sky we'll rule the world
True hearts on fire, a will to burn
With our hands up high we'll rule the world
Whoa! Whoa!
Whoa!
We're gonna rule the world
Whoa!
Yeah, tonight!
With our hands up high we'll rule the world
Up in the sky we'll rule the worldWith our hands up high we'll rule the world
Up in the sky we'll rule the world
True hearts on fire, a will to burn
With our hands up high we'll rule the world
Whoa!
Up in the sky we'll rule

Whoa!
With our hands up high we'll rule the world
Up in the sky we'll rule the world
