High Roller

DoverSpike

Jump in my love car, don't have to go very far
Just far enough to show you a thing or two
I can really swing the best of everything
And I want to have a thing with youHigh roller, what I buy is mine
And I always get the things that I choose
My, my, my, such a high high high rollerI know he's gone away and left you
I'll take real good care of youI'm in the mood for love, you're all, I'm thinking of
I'll make you feel alright, when we're alone
I can really swing, the best of everything
And I want to have a thing with youHigh roller, what I buy is mine
And I always get the things that I choose
My, my, my, such a high high high roller, is that you?I knew you'd be here tonight and I'll make it alright
I'll take real good care of you
I'll tuck you in tonight and I'll make it alrightI know he's gone away and left you
I'll take real good care of you
