Prodigy

The horns of Jericho
The horns of Jericho
The horns of Jericho
The horns of Jericho
The horns of Jericho Feel the base come down on me, baby
Feel the base come down on me If you want a favor, you find a favor
If you want a favor, you find a favor
If you want a favor, you find a favor
If you want a favor, you find a favor If you want a favor, you find a favor
If you want a favor, you find a favor
If you want a favor, you find a favor
If you want a favor, you find a favor Oh baby keep on dancing
Oh baby keep on dancing
Oh baby keep on dancing The horns of Jericho
The horns of Jericho
The horns of Jericho
The horns of Jericho Feel the base come down on me Oh baby keep on dancing
Oh baby keep on dancing
Oh baby keep on dancing
