

Now or Never

Matt Cab

I feel the spotlight
It's on me
We're on the big screen
In 3D
Yeah, this is our time
Don't gotta tell me
It's now or never, now now now or never I feel the spotlight
It's on me
We're on the big screen
In 3D
Yeah, this is our time
Don't gotta tell me
It's now or never, now now now or never Sometimes in life you come to
A moment that defines you
There's nowhere you can run to
Gotta face the music If your back's against the wall and they got you down
Don't tell yourself it's over
Find a way to pick yourself back up somehow
And smell the victory I feel the spotlight
It's on me
We're on the big screen
In 3D
Yeah, this is our time
Don't gotta tell me
It's now or never, now now now or never I feel the spotlight
It's on me
We're on the big screen
In 3D
Yeah, this is our time
Don't gotta tell me
It's now or never, now now now or never They try to tell you what you can't do
And you got something to prove
Don't matter what they tell you
'Cause you know
You were born to do this If your back's against the wall and they got you down
Don't tell yourself it's over
Find a way to pick yourself back up somehow
And smell the victory I feel the spotlight
It's on me

We're on the big screen
In 3D
Yeah, this is our time
Don't gotta tell me
It's now or never, now now now or never I feel the spotlight
It's on me
We're on the big screen
In 3D
Yeah, this is our time
Don't gotta tell me
It's now or never, now now now or never Block out the speakers pumping loud
Can't hear the roar of the crowd
Just the silence of my mind
In front of me, a thousand lights
We're gonna burn up the sky
Tonight is mine I feel the spotlight
It's on me
We're on the big screen
In 3D
Yeah, this is our time
Don't gotta tell me
It's now or never, now now now or never I feel the spotlight
It's on me
We're on the big screen
In 3D
Yeah, this is our time
Don't gotta tell me
It's now or never, now now now or never
