Seen the Future

Lloyd Cole

[Incomprehensible]I freed my mind in the oxygen tent
Sold my ass, now my trousers fit again, yeah, yeah
I blew my stash on hallucinogens
You love my song, well, I don't know what it means, noMan, I need TV
(For when I got my Morrissey)Have you seen the future of rock and roll?
(Have you seen the future of rock and roll?)
Have you seen the future of rock and roll?
(Have you seen the future of rock and roll?)All my friends do the model girl thing
So I found one, now she wears my nose ring
She's really beautiful but she's hung up on the Chelsea kid
And I'm a Renaissance man but she just can't dig it, noMan, I need TV
(For when I got my Morrissey)Have you seen the future of rock and roll?
(Have you seen the future of rock and roll?)
Have you seen the future of rock and roll?
(Have you seen the future of rock and roll?)Do you believe that the war is really over?
(Yeah, yeah, yeah)
Do you believe your coast is really clear
And your batteries clean, do you know?Come on, yeah, yeah, yeah, na, na, na
(Have you seen it? Have you seen it?)
Yeah, yeah, yeah, na, na, na
(Have you seen the future of rock and roll?)
Yeah, yeah, yeah
(Have you seen it? Have you seen it?)Na, na, na
(Have you seen the future of rock and roll?)
Yeah, yeah, yeah
(Have you seen it? Have you seen it?)
Na, na, na
(Have you seen the future of rock and roll?)
