

'Til You See Heaven

September Mourning

Hold my hand,
I really want to show you something,
Buried deep,
underneath your skin
There are scars
That both you and i are made of,
Understand,
It has to be this way
cause a heart cant beat like this forever,
If we go down we go together,
Stay with me
til you see heaven
Stay with me til you see heaven
And when you close your eyes
You will feel paradise
Youll see the brightest lights
Stay with me, stay with me
In thee end
I couldn't keep the sky from falling
We descend to where theres no escape,
Cause a heart cant beat like this forever,
If we go down we go together
Stay with me,
til you see heaven
Stay with me
til you see heaven
and when you close your eyes
you will feel paradise
you'll see the brightest lights
stay with me, Stay with me.
Stay with me,
and when you close your eyes
you will feel paradise
youll see the brightest lights
stay with me
stay with me
til you see heaven
stay with me
til you see heaven

stay with me.
