Bizarre Love Triangle

New Order

Every time I think of you I feel shot right through with a bolt of blue It's no problem of mine But it's a problem I find Living a life that I can't leave behind But there's no sense in telling me The wisdom of the fool won't set you free But that's the way that it goes And it's what nobody knows Well every day my confusion growsEvery time I see you falling I get down on my knees and pray I'm waiting for that final moment You say the words that I can't sayI feel fine and I feel good I'm feeling like I never should Whenever I get this way I just don't know what to say Why can't we be ourselves like we were yesterday I'm not sure what this could mean I don't think you're what you seem I do admit to myself That if I hurt someone else Then I'll never see just what we're meant to be Every time I see you falling I get down on my knees and pray I'm waiting for that final moment You say the words that I can't sayEvery time I see you falling I get down on my knees and pray I'm waiting for that final moment You say the words that I can't say
