

Good Morning, Heartache

Nina Simone, Billie Holiday, Ella Fitzgerald

Good morning heartache you old gloomy sight
Good morning heartache thought we said goodbye last night
I turned and tossed 'til it seemed you had gone
But here you are with the dawn
Wish I'd forget you, but you're here to stay
It seems I met you when my love went away
Now everyday I start by saying to you
Good Morning heartache, what's new?
Stop haunting me now
Can't shake you nohow, just leave me alone
I've got those Monday blues straight through Sunday blues

Good morning heartache here we go again
Good morning heartache you're the one who knew me when
Might as well get used to you hanging around
Good morning heartache sit down
Stop haunting me now
Can't shake you nohow just leave me alone
I've got those Monday blues straight through Sunday blues
Good morning heartache here we go again
Good morning heartache you're the one who knew me when
Might as well get used to you hanging around
Good morning heartache sit down
