Live In My Head

Zoot Woman

I canÊ¼t say your name, I canÊ¼t play the game
I canÊ¼t mess around and end up down again
You gave me the perfect surprise
And itÊ¼s hard to let go of the look in your eyes
I canÊ¼t fake or hide, I canÊ¼t believe the lies
The past I canÊ¼t face when youÊ¼re on my case again
And I wanted to show so much more
But I know that weÊ¼ll fall if we open the door
All the things that you said still live in my head
All the places that we went, weÊ¼re gonna go again
And now all that remains is the love in my vein
You still live in my head
Control is not mine, direction or design
Here with my confession and unlearnt lesson
IÊ¼ve been waiting for you all the time
And donÊ¼t you know what IÊ¼m feeling inside
All the things that you said still live in my head
All the places that we went, weÊ¼re gonna go again
And now all that remains is the love in my vein
You still live in my head
You gave me the perfect surprise
And itÊ¼s hard to let go of the look in your eyes
