

# Forgiveness And Love

## Miley Cyrus

Imagining you're far away  
Searching for the words to say  
I Feel it when you fall apart  
Our lives are our greatest art

I Don't Wanna change your mind  
Cause I accept you for  
everything you are  
and will be  
Stay here with me now

The Only thing that  
our hearts are made of  
are the acts of forgiveness and love  
The only thing real  
when push comes to shove  
are the acts of forgiveness and love

Cause in the end  
No one losses or wins  
the stories begin  
The stories begin, again and again  
With forgiveness and love

You don't ever have to read my min  
You can see it when you close your eyes

Don't believe it when you lose your faith  
Another moment is a moment of wait

I can't tell you what the futures holds, or how to live  
All i know is what these bright lights of my life again and again

The only thing that our hearts are made of  
are the acts of forgiveness and love  
The only thing real when push comes to shove  
are the acts of forgiveness and love

Cuz in the end no one losses or wins  
The stories begin, again and again

With forgiveness and love

Let's chop the Sun, let's find Forever  
Where does the Time go?  
Just live your life you get another  
today is today is today's  
Forgiveness and Love

Cuz in the end no one losses or wins  
The stories begin, again and again  
With forgiveness and love

Let's chop the Sun  
Let's chop the Sun  
Let's chop the Sun
