Rebel In You (Album Version)

Supergrass

A little hard to get
But I got time for you
It's hard to move on
So why don't you come backWell, I'm an intelligent guy
But I'm not wasting my time
I tried talking to you
And I'm starting to wonder, starting to wonder[Chorus]
Can't shake the riddle in you
But hands down, you're beautiful
I get the feeling that you cannot move now
But hands down, you're beautiful
There's some kind of fascination
But hands down, you're beautiful, you're beautifulYou're in a land that time forgot
I wouldn't wait for you
Now it's happening again
So why don't you come backMany times you've been
Sailing out of you
It's always the same
Now I'm starting to wonder, starting to wonder[Chorus]You can't shake the riddle in you
But hands down, you're beautiful
You get the feeling that you cannot move now
But hands down, you're beautiful
You can't shake the riddle in you
But hands down, you're beautiful
You get the feeling that you cannot move now
But hands down, you're beautiful
There's some kind of fascination
But hands down, you're beautiful, you're beautiful
