

Midnight Rain

Moto Boy

once again
Im trapped in your warm black dream
immaculate sin
glowing on your midnight skin
you're everything I wanted you to be
I wanted you to be
I wanted you to be
it's everything I wanted you to see
I wanted you to see
I wanted you to see
you'll always be the only one
always that I turn my heart into
nothings gonna change my love
for you
I know it's not sane
and I confuse pleasure with pain
that's what you get
for standing in the midnight rain
you're everything I wanted you to be
I wanted you to be
I wanted you to be
it's everything I wanted you to see
I wanted you to see
I wanted you to see
you'll always be the only one
always that I turn my heart into
nothings gonna change my love
for you
you'll always be the only one
always that I turn my heart into
nothings gonna change my love
for you
you're everything I wanted you to be
I wanted you to be
I wanted you to be
you're everything I wanted you to be
I wanted you to be
I wanted you to be
