In A Close Encounter

Soilwork

Taken by surprise
In an early star shined night
With my thoughts I blur
Into their minds of knowledgeI glance upon the obscure date
Well, I see a million of lights
Flashing inside the weak minded soul
So intelligent
I see the gift to my inner dreams
A script to solve the HIV exposedThen they flew
So fast into the other world
Then they flew so fast intoTaken by surprise
In an early star shined night
With my thoughts I blur
Into their minds of knowledge
Into their minds of knowledgeI glance upon the obscure date
Well, I see a million of lights
I glance upon the obscure date
Well, I see a million of lightsI glance upon the obscure date
