The Only One

Ty Segall

I want you to wake up
I want you to see
This time I've gone, gone, gone, gone away
I want you to hear just what I say
You'll never run, run, run, run away
And when you can feel
Is when you can touch
And our blood, blood, blood don't mean much
Yes, our blood, blood, blood don't mean muchWhen you look inside
And you try to hide
You see the only one
Only oneWhat are you waiting for?
To walk through that door
Oh, it ain't me
Oh, it ain't me
Yeah, yeah
