

# Plastic Fantastic

## Tranie Tronic

Plastic fantastic  
Do something drastic  
If you love yourself  
It is not much help  
If you don't look gorgeous, tragically  
Go pursue, every sexy vision of you  
It's your right to pave your way  
And release the potential inside that you hide  
'Cause you've got beauty in you  
You know if it was out today  
Find it, continue  
There you go, there you go  
When you open up yourself to me  
You show what you can really be  
It's all within you  
Don't you know, no, no, no  
Plastic fantastic  
Go where you get what you want  
When you want it, do something drastic  
'Cause you deserve to be desired  
Faceless, fakeness  
Ruthless, crudeness  
If you love yourself  
It is not much help  
If you don't look gorgeous, tragically  
It is cruel that we all know we could look cool  
Without evolution of soul  
It is only a matter of gold what you hold  
But I doubt the satisfaction  
When you only fix a fraction  
You just continue  
There you go, there you go  
Your looks may be anatomy  
But beauty it is more to me  
It's all within you  
Don't you know, no, no, no  
Plastic fantastic  
Go where you get what you want  
When you want it, do something drastic

'Cause you deserve to be desired

Faceless, fakeness

Ruthless, crudeness

If you love yourself

It is not much help

If you don't look gorgeous, tragically

If you don't look gorgeous, tragically

Plastic fantastic, plastic fantastic

Do something drastic, plastic fantastic

Plastic fantastic

Go where you get what you want

When you want it, do something drastic

'Cause you deserve to be desired

Faceless, fakeness

Ruthless, crudeness

If you love yourself

It is not much help

If you don't look gorgeous, tragically
