

Stillborn (Ft. Ozzy Osbourne)

Black Label Society

Blind me

Erase what was

Stillborn, I have become The feelings I once felt are now dead and gone

I've waited here for you for so very long So empty

Just a shell of a man

Stillborn, this I understand The feelings I once felt are now dead and gone

I've waited here for you for so very long I've waited here for you, so long I've waited here for you, for you The feelings I once felt are now dead and gone

I've waited here for you for so very long

I've waited here for you, so long

I've waited here for you, so long

I've waited here for you, so long

I've waited here for you, for you
